Council Proceedings.

Adjourned Meeting.

Tuesday, January 16, 1883.

Present—His Honor, Mayor Taylor and all the Council.

The minutes of the last meeting were read and approved.

Reports of the city officers were presented and appropriately referred.

The following standing committees were appointed by the Mayor:

On Finance—Dudley, Drake, and McClure.

On Streets—Church, Meagher, McClure, and Williams.

On Charity—Meagher, McClure, and Mangum.

On Fire—Mangum, Sneed, and Church.

On Proposed Hall—Lindley, Meagher, and McClure.

On Market-house—Williams, Church, and Meagher.

On Schools—Drane, Dudley, and McClure.

On Ordinances—Drane, Meagher, and Sneed.

On Work-houses—Williams, Church, and Meagher.

On Licenses—McClure, Sneed, and Church.

On Health—Sneed, Church, and Meagher.

On Bridges—Church, Williams, and Mangum.

Councilman Sneed, from the special committee to whom was referred the bond of City Marshal Horgan, moved that the bond be approved. Adopted.

On motion, the special committee to whom was referred the matter of selecting a new site for the Opera House and ascertaining what price could be obtained for the old site and the Market-house, were given further time in which to report.

On motion of Councilman Dudley, said committee was empowered to employ an architect to assist them in selecting a suitable site.

On motion of Councilman Sneed, the Finance Committee was instructed to make prompt settlement with the late City Marshal J. E. Kirtley, and to collect the back taxes with Marshal Horgan.

On motion of Councilman Meagher, the Mayor, City Clerk, and Marshal were requested to count the vote cast for School Trustees at the late election, and deliver the certificates of election to the successful candidates.

Councilman Meagher offered the following:

Resolved, That the Committee on Gas and Water be directed to inquire what counsel, if any, is now employed by the city in defense of a suit now pending in the Franklin Circuit Court, in the case styled W. S. Dehoney and others against the Capital City Gas and Electric Light Company, and should they find any counsel so employed by the city authorities that they be empowered to withdraw same.

Councilman Williams moved to table the resolution.

Councilman Sneed demanded the yeas and nays. Those voting in the affirmative were Taylor and Williams; in the negative, Church, Drake, Meagher, McClure, Dudley, Sneed, and Mangum.

Mayor Taylor moved to amend the resolution by taking from the committee the power to withdraw counsel and requiring them to report to the Council at its next regular meeting. Adopted.

Councilman Dudley moved that the office of Street Commissioner be abolished, and that the Superintendent of the Water Works be required to attend to said duties. Rejected.

Councilman Meagher called for the yeas and nays on said motion, and the vote stood: For, Dudley, Meagher, and Sneed; Against, Taylor, Church, Drake, McClure, and Williams.

Councilman Mangum moved to reduce the police force, and, after considering the question, the number was fixed at nine.

The Council then proceeded to complete the election of city officers with the following result:

A deed from Col. Orlando Brown, conveying to the city the right of way for the water main through his property, was received, accepted, and the City Clerk ordered to draw his warrant on the Treasurer in his favor for two hundred dollars in payment for the same.

On motion, it was ordered that two hundred copies of the report of the financial condition of the city be printed and that the work be let to the highest bidder.

LARGEST CIRCULATION IN CITY AND COUNTY

The Alex. Montgomery brought up another row of coal Sunday.

Try Blanton & Watson's "Crown Jewel" patent flour at Day & Hall's.

The alarm of fire Sunday night was a false one. It was occasioned by the burning of a chimney in C. W.

Our merchants are complaining greatly of the dull times, little or no business being done by them since the holidays.

The applicants for the positions of teacher in the Public School should read Mr. Dehon's advertisement in another column.

Composed of powerful drugs so compounded as to produce almost miraculous cures is the history of Kendall's Spanish Cure. See advt.

J. G. Owen, Louisville, says: "I have been Brover's from Butters for vertigo and shatter of system, am wonderfully pleased with the result."

P. M. Pryor, Louisville, says: "After suffering for years with general debility, a single bottle of Brover's Iron Bitters has cured me."

A complimentary hop will be given the Young Ladies Cooking Club at the Kentucky Military Institute tonight by the cadets of that institution.

The Lawrenceburg pike was so slick with ice Monday that the express wagons running between this city and that place did not reach there at all that night.

Mr. C. C. English, former judge of Jessamine county, died at his home in Nicholasville last week from wounds in his face and neck made by a Roman candle ball Christmas.

Why will men allow themselves and their noble horses to suffer when Kendall's Spanish Cure, properly applied, will remove all suffering from man and beast? Read advertisement.

10 pounds of coffee A sugar for one dollar at Day & Hall's.

A spark from a fire in an upper room at Mr. John N. Marshall's, South Frankfort, came near producing serious results, Sunday night. When discovered a large hole had been burnt in the carpet.

A horse belonging to James Payne, colored, fell on the ice on the Versailles pike, above the Arsenal, Friday night of last week, and the owner being unable to get it up, it was found dead the next morning.

The firm of Griffin Bros., dry goods and notion dealers, on St. Clair street, made an assignment Tuesday to Mr. John Meagher for the benefit of their creditors. It is thought the assets will equal the liabilities.

There are now two vacancies in the positions of teacher in Public School caused by the marriage of the young ladies who held them, and now it is said about half the young ladies in the city want to be teachers.

Mr. Adam Kahr has discontinued his bar-room on Market street, and the building is being fitted up and repaired and will in a short time be occupied by Mr. John Waters as a bar-room, the upper stories being used as a residence.

Mr. Ken O'H. Tremere, one of the cleverest young men in the county, is announced in another column as a candidate for Sheriff. If he should be so fortunate as to secure the position he will discharge the duties faithfully.

If Catarrh has destroyed your sense of smell and hearing, Hall's Catarrh Cure will cure you. 75 cents per bottle.

The Locomotive will meet at the residence of Hon. Grant Green on Thursday evening.

Rev. Dr. E. P. Humphreys, of Louisville, while on a visit to this city recently, visited the Sunday school at the Penitentiary, and in Wednesday's Courier-Journal he has a lengthy recommendation in which he tells how he enjoyed the time spent there.

The Marquis de Lamoignon, of Canada, and wife, Princess Louise, passed through this city on the C. & O. train Sunday night, on their road to Richmond, Virginia. Just to think of it, a real live princess in our city and our people did not know it.

Our neighbor of the Yeoman is commenting upon the resolution of the old Board of School Trustees, said "reform was now in order." What reform is needed? The Board would like to know, as they are endeavoring to keep the school up to the highest standard.

Elder Jos. Z. Tyler, brother of Elder B. B. Tyler, formerly of this city, who for the past eight or ten years has had charge of the Seventh Street Church, Richmond, Virginia, has received and accepted a call to the Church at Augusta, Georgia, which was built by Mrs. Emily Talamon, of that city.

During the absence of Mr. Clouds Meek from the insurance office of Messrs. F. C. Hughes & Co., Tuesday afternoon, a chair sitting in the middle of the room took fire from some cause, and when he returned the heat of it was burned out and the room filled with smoke. Had he remained away a few moments longer the services of the fire department would have been required.

Elder Carroll Q. Wright, a Franklin county boy, who has had charge of the Christian Church in Madison, Indiana, for several years, has received and accepted a call to the Twelfth and Wallace Street Church, Philadelphia. He has been succeeded by his cousin, Elder Papa Julian, also of this county, as pastor of the church at Madison, and we have soon to hear of his being called to a larger city.

The jury in the Frank Egbert case were called into Court Saturday afternoon, and after reporting that they could not agree upon a verdict, they were discharged. They stood on the first vote, eight for conviction and four for clearing, but towards the last ten for conviction and two for clearing. Egbert's bond was fixed at \$2,000, Messrs. M. H. P. Williams, Jr., and Phil. Chin being his sureties, and he was released from jail.
